- Eligible Courses-** : B.PTh / B. OPTO/M.Sc. Nursing/M.Sc. Food & Nutrition/M.Sc. Clinical Psychology
- Year of Passing-** : All Final Year Students / Interns only for BPTH.

In view of enhancing students approach towards the organization and training them with live project. Placement cell of the university organized a one day event cum screening process by Stufit Approach Pvt Ltd.

The CEO of the company Dr S. Haider briefed the students about the functioning of the Stufit Approach and the benefits to work with this organization as volunteer trainee.

He has mentioned that it is a healthcare startup working towards the fitness of all school & college going children/students through conducting health screening camps and providing health report cards. Company is working on many projects and appreciated on many platforms & forums and will start a pilot project with the Government under the name "Lucknow Smart City" project. In this project Stufit doctors & volunteers team will be screening the students of Municipality schools. Approx 2000 students will be screened in this camp by May 10, 2023.

Stufit approach also offered eligible students for volunteer positions and selected 22 students from different streams. These students may join the camp along with team of doctors by 10th April 2023. Selected students have to report on 8th April 2023 to the Stufit Approach office for one day Pre-Camp training. Company will provide the certificate of one month training and lunch during the visit/camp.
