

Reminiscence- 2023 (1st Alumni Meet)

Sunday, 26th January 2023

Homecoming is always a reason for happiness when you meet old friends to talk about memories you have had at the university campus and how the university has changed since they have been gone.

Reminiscence-2023, our first alumni gathering, is the brainchild of Prof. (Dr.) Farzana Mahdi, our vice-chancellor, intends to forge close ties with our graduates. Held on January 26th at the University's campus, the event was attended by many alumni members from around the globe.

The meet began with the traditional Vice Chancellor's address. Prof. (Dr.) Farzana Mahdi, the University's Vice Chancellor, welcomed the alumni members with an inspiring speech which focused on the importance of a reunion among alumni members. She also emphasized the need to build strong bridges between the alumni and the University to ensure the growth and success.

While interacting with the students, Prof. Mahdi stated that Era University will always be home and delighted to host them. She also said, "Alumni are our brand's ambassadors and that gaining success in life is crucial, but being a nice person comes before success.

The alumni students discussed how their college experience helped shape them into better individuals. They reflected on how the education they received made them more open-minded and gave them a more vital perspective on the world. They highlighted how the professors were invaluable sources of knowledge for them and spoke about how helpful it was to have access to such talent. They also discussed the importance of getting involved in extracurricular activities that developed their interests and skills further.

The alumni shared stories of connecting with classmates and faculty more personally and expressed gratitude for their experiences at the university and provided practical advice for the current students.

Currently, our alumni are working for companies like TCS, Lenskart, Spicejet, KGMU Lucknow, Apollo Hospital, Medanta Hospital, Max Group, Sahara Hospital, Cordlife, Bharat Samachar, CDRI, Dr RMLIMS Lucknow, National Health Mission, Government of India, Dr Reddy's Lab, Dr Lal Path Labs, etc.
