## Training programme for ICU staff

**LUCKNOW:** The critical care medicine department of Era University organised a 'continued medical education programme' for its medical staff deployed in ICUs. Coordinator of the event Dr Mustahsin Malik said training of medical staff deployed at ICUs was important. Prof KP Mal, Dr Khalid Iqbal, Dr Amit Srivastava, Dr Ajanshi Muthukumaran, Dr Mudhalika Dube and other senior doctors shared tips in treatment of patients. Speakers said that since doctors take round and leave patient but the medical staff, including nurses, stay with patients and take care.
