

REPORT ON NUKKAD NATAK

As part of the ongoing SAARTHI Activity Calendar 2026, a Nukkad Natak (Street Play) on the themes of Anti-Ragging and Drug/Tobacco Abuse was organized with the objective of creating awareness among students about the harmful effects of substance abuse and the importance of maintaining a safe, healthy, and supportive educational environment.

The activity was conducted under the guidance of Prof. Sheeba Rizvi, NEP Coordinator. The event was coordinated by Dr. Mohd. Haleem, Associate Professor, Department of Computer Science, Dr. Shikha Singh, Assistant Professor, Department of Food and Nutrition, Dr. Sana Afreen, Assistant Professor, Department of Food and Nutrition and Ms. Alfiya, Assistant Professor, Department of Computer Science. The activity was supported by NEP SAARTHI's Roshni Choudhary, Department of Food and Nutrition, and Abdul Wadood, Department of Computer Science.

The street plays effectively conveyed messages against ragging, drug abuse, and tobacco consumption, highlighting their adverse physical, psychological, academic, and social consequences. Through impactful performances and engaging dialogue, the students encouraged their peers to make responsible choices and contribute towards a positive and substance-free campus environment.
